

SOUDAN BANK FISHING TRIP

SOUDAN BANK is located 100 NAUTICAL Miles North East of Mauritius. It is more than 30 square kilometres and has a depth average of 50 meters and up to 25 meters on the peak. The area offers the possibility to practice different types of fishing such as:

- **JIGGING** For Dog Tooth tuna, Yellow Fin Tuna, Wahoo, Job fish, Giant Trevally, Amberjack and groupers.
- **TROLLING** FOR Blue /Black marlin, Sailfish, Dog Tooth tuna, Yellow Fin Tuna, Wahoo, Dorado.
- **POPPING** For Yellow Fin Tuna, Dog Tooth, Sailfish, Dorado or Wahoo hunting the surface at the back of the boat.

The bank is a different type of fishing as you hardly see birds. We concentrate on the topography of the bottom and fish most of the time along the ramps and peaks. You can expect amazing surprises when fishing these waters and will most of time have marlin strikes. WE FULLY ENCOURAGE MARLIN AND SHARK RELEASE.

You will have the opportunity to practice Stand up fishing against different species from 25 to 200 pounds with TOP CLASS fishing equipment and highly experienced crew.
